0 of 0 people found the following review helpful. Who will she choose?By Kindle CustomerI received a free copy from the author in exchange for an honest review. This is the 4th book in this series by Verity Vixxen. I love this series and can't wait to read the next and last book of this series. Alicia has gotten rid of her boyfriend, David, by introducing him to her Italian friend. Alicia still cannot make up her mind whether to choose Chris, a security guard, or Hawk, a billionaire's eldest son. Who will she choose?

Part 4 in a hot and steamy alpha billionaire romance series! Things just keep getting hotter and more complicated for Alicia Mellor. After a failed threesome with her ex-boyfriend, Alicia is whisked away to the Kinsey's Mansion by none other than Hawk Kinsey himself, the enigmatic eldest son of Australia's richest billionaire tycoon family. Hawk reveals a different side to Alicia, but one she knows comes at a price. Hawk intends to woo and win her - and Alicia isn't the kind of girl who likes to lose. She's managed to avoid his charms so far, but what other tricks does Hawk have up his sleeve to entice Alicia into his bed? And what of Chris - the handsome security guard, who Alicia can't seem to keep away from? Secrets and lies abound in the fourth instalment of Lust. Desire. Secrets. Obsession. Features the steamiest scenes yet including, m/f, f/m/f, menage, voyeurism, light bondage, rear entry and age play. It uses very strong language and imagery and is suitable only for mature audiences.Missed an instalment? Get them here: 1. *FREE* Playing The Billionaire amazon.com/dp/B0132EVXJC 2. My pussy clenches with need at the heat of him, a sexual tension that continues to build each time we meet. I don't know how much longer I can resist him, even though I know what will happen if I succumb. My hand shakes where it holds the towel. I could so easily let go, let the material drop to the floor and pull Hawk towards me.A week on a boat with him is definitely a bad idea!'I'm sorry,' I repeat. 'I really do have to go to this lunch.' I lean away from him, trying to catch my breath. 'Could you lend me a phone charger?'Hawk weighs me with his eyes. 'I can. But it's going to cost you.' 'How much?' I ask. 'You must take morning tea with me.'I look up into his dark eyes. 'Deal,' I say. 'But there's another condition, too.' Hawk watches me like his namesake. 'And that is?'You must let me watch you get dressed.'I swallow, hard.Play the game. Remember the

game. Don't sleep with him!
